30. Voting through electronic means:

Members are requested to carefully read the below mentioned instructions for remote e-voting before casting their vote.

- i. The voting period begins on **23rd September, 2022 (Friday) 9:00 A.M. (IST) and ends on 25th September, 2022 (Sunday) 5:00 A.M. (IST)**. During this period shareholders 'of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (**19th September, 2022**) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC/OAVM but shall not be entitled to cast their vote again
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020, under Regulation 44 of the SEBI (LODR) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

IMPACT OF COVID-19 PANDEMIC:

The COVID-19 pandemic continued to be a global challenge creating disruption across the world. While the global economy showed early signs of recovery in the beginning of 2021, the repeated waves of COVID infection overwhelmed the Country's health infrastructure. The partial lockdown situation in the Country in the starting part of the financial year under review led to rise in inflation impacting recovery especially across emerging economies and dented the pace of economic activity. The pandemic hit all segments of the economy quite hard with the manufacturing, construction and services segments reporting large contractions during the fiscal.

However, there is no material impact on Company's manufacturing and distribution operations and based on the preliminary estimates the Company does not anticipate any major challenge in meeting the financial obligations on the long-term basis. However, the dispatch of goods has some impact due to inspection requirement. Further the company does not carry any risk in the recover ability and carrying values of its assets including property, plant and equipment, trade receivables, inventories, investments etc. Company during the year 2021-22.

DIVIDEND:

Your Board of Directors are pleased to recommend a dividend of Rs. 3.50 (35%) subject to TDS on Equity Share of Rs. 10/- each for the year ended March 31, 2022. (Previous year Rs. 3.25 (32.50%) per Equity Share of Rs. 10/- each). The above dividend would be paid subject to approval by the Members in the ensuing Annual General Meeting. The proposed dividend will absorb Rs. 172.45 Lakhs (previous year Rs. 160.13 Lakhs)

TRANSFER TO RESERVES:

During the year, your company has voluntarily transferred Rs 100.00 Lakhs (Previous year Rs. 100.00 Lakhs) to the General Reserves. Except this, the company has not transferred any funds to any kind of Reserves during the year (Previous Year: Nil)

SHARE CAPITAL:

The paid up Equity Share Capital of the Company as at 31st March, 2022 was Rs. 492.70 Lakhs divided into 49.27 Lakhs equity shares of Rs. 10/- each. There is no change in share Capital of the Company during the year. Your company does not hold any instruments convertible into the equity shares.

**Whistle Blower & Vigil Mechanism Policy***“Annexure-5”***1. Preface**

Pursuant to SEBI (LODR) Regulation, 2015 and as per applicable provisions of section 177 of the Companies Act, 2013 requires every listed company shall establish a Whistle Blower policy/Vigil Mechanism for the directors and employees to report genuine concerns or grievances about unethical behavior, actual or suspected fraud or violation of the company's Code of Conduct or Ethics Policy. The Company has adopted a Code of Conduct for Directors and Senior Management Executives (“the Code”), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. Such a vigil mechanism shall provide for adequate safeguards against victimization of directors and employees who avail of such mechanism and also make provisions for direct access to the Chairperson of Audit Committee in exceptional cases.

Under these circumstances, Fluidomat Limited, being a listed Company proposes to establish a Whistle Blower Policy/ Vigil Mechanism and to formulate a policy for the same.

2. Definitions

The definitions of some of the key terms used in this Policy are given below. Capitalized terms not defined herein shall have the meaning assigned to them under the Code.

- a. “Associates” means and includes vendors, suppliers and others with whom the Company has any financial or commercial dealings.
- b. “Audit Committee” means the Audit Committee of Directors constituted by the Board of Directors of the Company in accordance with Section 177 of the Companies Act, 2013 and read with SEBI (LODR) Regulation, 2015.
- c. “Employee” means every employee of the Company (whether working in India or abroad), including the directors in the employment of the Company.
- d. “Code” means the Fluidomat Code of Conduct.
- e. “Director” means every Director of the Company, past or present.
- f. “Investigators” mean those persons authorised, appointed, consulted or approached by the Ethics Counselor/Chairman of the Audit Committee and includes the auditors of the Company and the police.
- g. “Protected Disclosure” means any communication made in good faith that discloses or demonstrates information that may evidence unethical or improper activity.
- h. “Subject” means a person against or in relation to whom a Protected Disclosure has been made or evidence gathered during the course of an investigation.
- i. “Whistleblower” means an Employee or director making a Protected Disclosure under this policy.
- j. “unpublished price sensitive information” means any information, relating to a company or its securities, directly or indirectly, that is not generally available which upon becoming generally available, is likely to materially affect the price of the securities and shall, ordinarily including but not restricted to, information relating to the following: –
 - (i) financial results;

- (ii) dividends;
- (iii) change in capital structure;
- (iv) mergers, de-mergers, acquisitions, delistings, disposals and expansion of business and such other transactions;
- (v) changes in key managerial personnel.

3. Scope of this Policy.

This Policy intends to cover serious concerns that could have grave impact on the operations and performance of the business of the Company and malpractices and events which have taken place/suspected to have taken place, misuse or abuse of authority, fraud or suspected fraud, violation of company rules, manipulations, negligence causing danger to public health and safety, misappropriation of monies, leak of unpublished price sensitive information under SEBI (Prohibition of Insider Trading) Regulations, 2015 and other matters or activity on account of which the interest of the Company is affected and formally reported by whistle blowers concerning its employees. The policy neither releases employees from their duty of confidentiality in the course of their work, nor is it a route for taking up a grievance about a personal situation.

4. Eligibility

All Employees and directors of the Company are eligible to make Protected Disclosures under the Policy. The Protected Disclosures may be in relation to matters concerning the Company.

5. Disqualifications

- a. While it will be ensured that genuine Whistle Blowers are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection will warrant disciplinary action.
- b. Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistle Blower knowing it to be false or bogus or with a mala fide intention.
- c. Whistle Blowers, who make any Protected Disclosures, which have been subsequently found to be mala fide, frivolous or malicious shall be liable to be prosecuted under Company's Code of Conduct.

6. Procedure

- a. All Protected Disclosures should be addressed to the Chairman of the Audit Committee of the Company for investigation.
- b. The contact details of the Chairman of the Audit Committee of the Company is as under:
CAM.K. Shah
117, 1st Floor, 'Navneet Darshan',
16/2, Old Palasia, Indore – 452001 (M.P.) INDIA
mkshahassociates@yahoo.com, 91-731-2564820
- c. If a protected disclosure is received by any executive of the Company other than Chairman of Audit Committee, the same should be forwarded to the Chairman of the Audit Committee for further appropriate action. Appropriate care must be taken to keep the identity of the Whistleblower confidential.

- d. Protected Disclosures should preferably be reported in writing so as to ensure a clear understanding of the issues raised and should either be typed or written in a legible handwriting in English, Hindi or in the regional language of the place of employment of the Whistleblower.
- e. The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistleblower. The Chairman of the Audit Committee shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation.
- f. Protected Disclosures should be factual and not speculative or in the nature of a conclusion and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern and the urgency of a preliminary investigative procedure.
- g. The Whistleblower must disclose his/her identity in the covering letter forwarding such Protected Disclosure. Anonymous disclosures will not be entertained as it would not be possible to interview the Whistleblowers.

7. Investigation

- a. All Protected Disclosures reported under this Policy will be thoroughly investigated by Chairman of the Audit Committee of the Company who will investigate / oversee the investigations under the authorization of the Audit Committee. If any member of the Audit Committee has a conflict of interest in any given case, then he/she should recuse himself/herself and the other members of the Audit Committee should deal with the matter on hand. In case where a company is not required to constitute an Audit Committee, then the Board of directors shall nominate a director to play the role of Audit Committee for the purpose of vigil mechanism to whom other directors and employees may report their concerns.
- b. The Chairman of the Audit Committee may at its discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Chairman of the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistleblower that an improper or unethical act was committed.
- d. The identity of a subject will be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Chairman of the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Ethics Counselor/Investigators and/or members of the Audit Committee and/or the Whistleblower. Subjects shall be free at any time to engage counsel at their own cost to represent them in the investigation proceedings.
- h. Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with, and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.
- i. Unless there are compelling reasons not to do so, Subjects will be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject

shall be considered as maintainable unless there is good evidence in support of the allegation.

- j. Subjects have a right to be informed of the outcome of the investigation. If allegations are not sustained, the Subject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.
- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure

8. Protection

- 8.1 No unfair treatment will be meted out to a Whistle Blower by virtue of his/ her having reported a Protected Disclosure under this policy. The company, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistle Blowers. Complete protection will, therefore, be given to Whistle Blowers against any unfair practice like retaliation, threat or intimidation of termination / suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties / functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistle Blower may experience as a result of making the Protected Disclosure. Thus, if the Whistle Blower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistle Blower to receive advice about the procedure, etc.
- 8.2 A Whistle Blower may report any violation of the above clause to the Chairman of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.
- 8.3 The identity of the Whistle Blower shall be kept confidential to the extent possible and permitted under law.
- 8.4 Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower.

9. Secrecy / Confidentiality

- 9.1 The complainant, Members of Audit Committee, the Subject and everybody involved in the process shall:
- 9.2 Maintain confidentiality of all matters under this Policy
- 9.3 Discuss only to the extent or with those persons as required under this policy for completing the process of investigations.
- 9.4. Not keep the papers unattended anywhere at any time
- 9.5 Keep the electronic mails / files under password.

10. Decision

- 10.1 If an investigation leads the Chairman of the Audit Committee to conclude that an improper or unethical act has been committed, Chairman of the Audit Committee shall recommend to the management of the Company to take such disciplinary or corrective action as he may deem fit. It is clarified that any disciplinary or corrective action initiated against the Subject as a result of the findings of an investigation pursuant to this Policy shall adhere to the applicable personnel or staff conduct and disciplinary procedures.
- 10.2 If the report of investigation is not to the satisfaction of the complainant, the complainant has the right to report the event to the appropriate legal or investigating agency. A complainant who makes false allegations of unethical & improper practices or about alleged wrongful conduct of the subject to the Whistle Officer or the Audit Committee shall be subject to appropriate disciplinary action in accordance with the rules, procedures and policies of the Company.

**11. Reporting**

The Chairman of the Audit Committee shall submit a report to the Audit Committee on a regular basis about all Protected Disclosures referred to him/her since the last report together with the results of investigations, if any.

12. Access To Chairman of The Audit Committee

The Whistle Blower shall have right to access Chairman of the Audit Committee directly in exceptional cases and the Chairman of the Audit Committee is authorized to prescribe suitable directions in this regard.

13. Communication

A whistle Blower policy cannot be effective unless it is properly communicated to employees. Therefore, the policy is published on the website of the company.

14. Retention of Documents

All Protected disclosures in writing or documented along with the results of Investigation relating thereto, shall be retained by the Company for a period of 7 (seven) years or such other period as specified by any other law in force, whichever is more.

15. Administration and Review of The Policy

A quarterly status report on the total number of compliant received, if any during the period with summary of the findings of Audit Committee and corrective steps taken should be send to the Chairman of the company. The Company Secretary shall be responsible for the administration, interpretation, application and review of this policy.

16. Amendment

The Company reserves its right to amend or modify this Policy in whole or in part, at any time without assigning any reason whatsoever. However, no such amendment or modification will be binding on the Employees and Directors unless the same is notified to them in writing.

The policy was further amended on 14th February. 2022.

**AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE**

TO,
THE MEMEBERS OF
FLUIDOMAT LIMITED

1. The Corporate Governance Report prepared by **Fluidomat Limited** ('the Company') for the year ended 31 March, 2022, contains details as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulation") pursuant to the Listing Agreement of the Company with Stock Exchanges.

Management's Responsibility

2. The compliance with the conditions of Corporate Governance is the responsibility of the management of the Company. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in SEBI Listing Regulations, issued by SEBI.

Auditor's Responsibility

3. Our responsibility is to provide a reasonable assurance in the form of an opinion whether the Company has complied with the condition of Corporate Governance, as stipulated in the Listing Regulation.
4. We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.
5. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
6. The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedures includes but not limited to verification of secretarial records and financial information of the Company and obtained necessary representations and declarations from directors including independent directors of the Company.
7. The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

8. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations as applicable during the year ended March 31, 2022.
9. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

10. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the SEBI Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

INDEPENDENT AUDITORS' REPORT

TO,

THE MEMBERS OF FLUIDOMAT LIMITED,

Report on Audit of Standalone Ind AS Financial Statements

We have audited the accompanying Standalone Ind AS Financial Statements of **FLUIDOMAT LIMITED** ('the Company'), which comprise the standalone balance sheet as at 31st March 2022, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of cash flow statement and the standalone statement of changes in equity for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "The Standalone Ind AS financial statements").

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Corporate Governance but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibility of Management for Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures,

and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A' statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Standalone Balance Sheet, the standalone statement of profit and loss, the Standalone Statement of Cash Flow Statement, and standalone statement of change in equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and to according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company has disclosed the impact of pending litigations in its financial position in note no. 38.2 to the Standalone Ind AS Financial Statements.
 - II. The Company did not have any long-term contracts including derivatives contract for which there were

any material foreseeable losses.

**Annexure 'B' to Independent Auditors' Report of Standalone Financial Statement**

(Referred to Para 2(f) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date to the members of **Fluidomat Ltd.** for the year ended 31st March 2022)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **FLUIDOMAT LIMITED** ("the Company") as of 31st March, 2022 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over Financial Reporting, both applicable to an audit of the Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS****(for the year ended 31st March, 2022)****1. Corporate Information:**

Fluidomat Limited is a Public Limited Company incorporated in the State of Madhya Pradesh, India and is listed on BSE Limited (BSE). The registered office of the Company is located at 117 First Floor, Navneet Darshan, 16/2 Old Palasia Indore 452018. The Company is an ISO 9001:2015 certified Company manufactures a wide range of fixed speed and variable speed fluid couplings for Industrial and automotive drives upto 3800kw since 1971. The financial statements were authorized for issue in accordance with a resolution of the directors on 30th May, 2022.

2. Basis of preparation:**(i) Compliance with Ind AS**

The standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('The Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The presentation of financial statements is based on INDAS Schedule III of the Companies Act, 2013.

The standalone financial statements have been prepared and presented under the historical cost convention on accrual basis of accounting, Indian Accounting Standards prescribed under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014, except where otherwise stated, the accounting principles have been consistently applied.

(ii) Operating Cycle:

Company's operating cycle shall be 12 months beginning from 1st of April to 31st of March every financial year.

3. Significant Accounting Policies:

The financial statements have been prepared using the significant accounting policies and measurement basis summarized below:-

A. Current and non-current classification

Assets and liabilities are classified as current if expected to realize or settle within twelve months after the balance sheet date. Deferred tax assets and liabilities are classified as non current assets and non-current liabilities, as the case may be.

B. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs with two decimals thereof as per the requirement of Schedule III, unless otherwise stated.

C. Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/materialized. The said estimates are based on the facts and events that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

D. Property, plant and equipment

All other items of property, plant and equipment are stated at cost less depreciation and impairment if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as

appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

E. Depreciation methods, estimated useful life and residual value

Depreciation is provided on assets to get the initial cost down to the residual value, including on asset created on lands under lease. Land is not depreciated. Depreciation on property, plant and equipment is provided on pro-rata basis on Written-Down Value Method using the useful life of the assets estimated by management and in the manner prescribed in Schedule II of the Companies Act 2013. The useful life is as follows:

S.No.	Description of Assets	Useful life as per the Companies Act
1	Building	5 & 30 Years
2	Plant & Machinery	10-15 Years
3	Office Equipment	5 Years
4	Furniture	10 Years
5	Computer	3 & 6 Years
6	Software & Web sites	6 Years
7	Vehicle	8/10 Years

On the basis of technical assessment made by the management, it believes that the useful life as given above best represent the period over which the assets are expected to be used.

Leasehold land is amortized on a straight line basis over the unexpired period of their respective lease.

The assets residual values and useful life are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

F. Intangible assets

Intangible assets with finite useful life that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a Written-Down Value basis over their estimated useful life. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

G. Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and operating balances.

H. Inventories:

Inventories of raw materials and stores and spares are valued at weighted average cost net of duties and finished goods and Stock-in-Process are valued at lower of cost or net realizable value and Scrap is valued at net realizable value.

I. Investments and other financial assets

(I) Classification

The Company classifies its financial assets in the following measurement categories:

- (1) Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) Those measured at amortized cost.

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are accounted in the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk..

J. Impairment of non-financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In determining fair value less costs of disposal, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses including impairment on inventories are recognised in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

K. Segment Reporting:

Since the Company operates in one segment only, segment reporting as required IND-AS issued by the Institute of Chartered Accountants of India is not applicable.

L. Exceptional Items:

Exceptional Items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income and expense that have to be shown separately due to their nature or incidence.

M. Contingent Liability:

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

N. Provisions:

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

O. Investment in Subsidiaries:

The Company has elected to measure investment in subsidiaries at cost. On the date of transition, the carrying amount has been considered as deemed cost.

P. Leases:

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee.

Leased assets: Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Since the monthly lease payments for such leases are not material, the management has decided to apply the recognition exemption as per Para 5(b) of IND AS 116, wherein the entity need not apply the requirements for which, the recognition and measurement of lease liability for which the underlying asset is of low value.

Q. Revenue recognition:

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Revenue is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

Sale of products:

Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

Rendering of services:

Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligation for the services rendered.

R. Employee Benefits:

(i) Current Employee Benefit:

(1) Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employee service upto the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(2) Contribution to defined contribution scheme such as Provident Fund, Family Pension Fund and ESI Fund are charged to the Statement of Profit & Loss.

(3) Leave encashment is charged to revenue on accrual basis.

(ii) Other long-term employee benefit obligations

(a) Gratuity

The Employee's Gratuity Fund Scheme, which is defined benefit plan, is managed by Trust maintained with Life Insurance Corporation of India (LIC). The difference, if any, between the actuarial valuation of the gratuity of employees at the year end, valuation done by LIC and the balance of funds with Life Insurance Corporation of India is provided for as assets/(liability) in the books.

S. Foreign Currency Transactions:

- (i) The financial statements are presented in Indian rupee (INR), which is Company's functional currency.
- (ii) Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.
- (iii) Any income or expenses on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit and Loss.
- (iv) Remittances not received until the end of the year are considered at the closing exchange rate as applicable. Difference between realization against debtors in the subsequent year and outstanding debtors is recognized as exchange differences in the Statement of Profit and Loss.

T. Income tax:

a. Current Tax:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

b. Deferred Tax:

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred tax arises from the initial recognition of an asset or liability that effects neither accounting nor taxable profit or loss at the time of transition.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled

U. Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributed to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all potentially dilutive equity shares

V. Government Grants:

Capital Subsidy shown under Capital Reserves.

W. Dividend:

Dividend distribution to the shareholders is recognised as a liability in the Company's financial statements in the period in which the dividends are approved by the Company's shareholders except interim dividend.

Interim dividend is recognised as a liability in the Company's financial statements in the period in which the dividends are approved by the Board of Directors.

**X. Related Party Disclosure:**

Disclosures, regarding related parties and transactions with them, as required in terms of Indian Accounting Standard 24, has been made at the relevant places in the notes to accounts.

3A. Significant accounting judgments, estimates and assumptions:

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(a) Property Plant & Equipment

The company has estimated the useful life of Property, Plant and Equipment and Investment Property as per the useful life prescribed in Schedule II of the Companies Act, 2013.

(b) Taxes

(i) The Company's tax charge is the sum of the total current and deferred tax charges. The calculation of the Company's total tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process.

(ii) Accruals for tax contingencies require management to make judgments and estimates in relation to tax related issues and exposures.

(iii) The recognition of deferred tax assets is based upon whether it is more likely than not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. Where the temporary differences are related to losses, the availability of the losses to offset against forecast taxable profits is also considered. Recognition therefore involves judgment regarding the future financial performance of the particular legal entity or Company in which the deferred tax asset has been recognized.

(c) Defined benefit

The cost of defined benefit plans (i.e. Gratuity benefit) is determined using valuations done by LIC. An actuarial valuation involves making various assumptions which may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. In determining the appropriate discount rate, management considers the interest rates of long term government bonds with extrapolated maturity corresponding to the expected duration of the defined benefit obligation. Further details about the assumptions used, including a sensitivity analysis.

49. Previous year figures have been regrouped and/or rearranged wherever considered necessary.

50. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES:

The Company's principal financial liabilities comprise of trade payables. The Company has various financial assets such as trade receivables and cash and short-term deposits, which arise directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk.

The Company's Board of Directors oversees the management of these risks. The Company's Board of Directors is supported by an Audit Committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The Audit Committee provides assurance to the Company's Board of Directors that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

A. MARKET RISK :

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

B. CREDIT RISK :

Credit risk is the risk of financial loss arising from counter party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks. Financial instruments that are subject to concentrations of credit risk, principally consist of trade receivables.

None of the financial instruments of the Company result in material concentrations of credit risks. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was Rs. 1191.21 lakhs as at 31 March 2022 and Rs. 986.12 lakhs as at 31 March 2021, being the total of the carrying amount of trade receivables and current investments.

Customer credit risk is managed by the Company subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

Credit risk from balances with banks and investment of surplus funds in mutual funds is managed by the Company's finance department.

C. LIQUIDITY RISK :

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit, Fixed Deposits with Corporate and mutual funds, which carry no/low mark to market risks.

**D. BORROWING RISK :**

Borrowing risk is the risk associated with borrowed capital. The Company has policy to borrow fund from banks or other financial institutions to meet its financial obligation time to time. Borrowed money may be in form of secured (charge create on Company's assets) or unsecured.

Mainly risk associated with the borrowed fund is change in interest rate by RBI time to time. The risk is reviewed regularly by the Audit Committee of the Company.

The balance of borrowing fund from bank in the financial year ended 31st March, 2022 was Nil and also in previous financial year ended 31st March, 2021 was Rs. Nil.

INDEPENDENT AUDITORS' REPORT

TO,

THE MEMBERS OF FLUIDOMAT LIMITED,

Report on Audit of Consolidated Ind AS Financial Statements

We have audited the accompanying Ind AS Consolidated Financial Statements of **FLUIDOMAT LIMITED** (‘the Company’) and its one wholly owned subsidiary (the company and its subsidiary together referred to as ‘the Group’), which comprise the Consolidated balance sheet as at 31st March 2022, the Consolidated statement of profit and loss (including other comprehensive income), the Consolidated statement of cash flow statement and the Consolidated statement of changes in equity for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as ‘The Consolidated Ind AS financial statements’).

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the on the other financial information of the subsidiary, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 (‘the Act’) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (‘Ind AS’) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, their Consolidated Profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Ind AS Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report and Corporate Governance but does not include the consolidated financial statements, standalone financial statements and our auditor’s report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated statement of cash flows of the Group in accordance with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS financial statements, the respective Board of directors of the company included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible

for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the wholly owned subsidiary incorporated in United Kingdom included in the Statement, which have been certified by the Management of the Holding Company and Subsidiary Company, and the management will remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The accompanying consolidated financial Statement includes unaudited financial statement of Fluidomat UK Private Limited, a wholly owned subsidiary, whose financial statement reflect total Assets of Rs. 14.96 Lakhs for the year and total net loss after tax of Rs. 1.19 Lakhs, for the year ended on that date, as considered in the Statement.

Further this subsidiary, is located outside India, whose annual financial statements have been prepared in accordance with accepted auditing standards applicable in their respective country. The Holding Company's management has converted the financial statements of such subsidiary from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. Our opinion, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based on the unaudited financial statement and the conversion adjustments prepared by the management of the Holding Company.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, we report that:

- a. We have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.

**Annexure 'A' to Independent Auditors' Report of Consolidated Ind AS Financial Statement**

(Referred to Para 2(f) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date to the members of Fluidomat Ltd. for the year ended 31st March, 2022)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **FLUIDOMAT LIMITED** ("the Holding Company") as of 31st March, 2022 in conjunction with our audit of the Consolidated Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over Financial Reporting, both applicable to an audit of the Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated Ind AS financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**

(for the year ended 31st March, 2022)

1. Corporate Information:

Fluidomat Limited is a Public Limited Company incorporated in the State of Madhya Pradesh, India and is listed on BSE Limited (BSE). The registered office of the Company is located at 117 First Floor, Navneet Darshan, 16/2 Old Palasia Indore 452018. The Company is an ISO 9001:2015 certified Company manufactures a wide range of fixed speed and variable speed fluid couplings for Industrial and automotive drives upto 3800kw since 1971. The financial statements were authorized for issue in accordance with a resolution of the directors on 30th May, 2022.

2. Basis of preparation:**(i) Compliance with Ind AS**

The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('The Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The presentation of financial statements is based on IND AS Schedule III of the Companies Act, 2013.

The consolidated financial statements have been prepared and presented under the historical cost convention on accrual basis of accounting, Indian Accounting Standards prescribed under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014, except where otherwise stated, the accounting principles have been consistently applied.

(ii) Basis of Consolidation & Translation of Foreign Currency

The accompanying financial statements have been prepared in Indian rupees being the national currency of India. The consolidated financial statements of the Group have been prepared based on a line-by-line consolidation of the financial statements of Fluidomat Limited and its subsidiary are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows.

Assets and Liabilities of foreign subsidiary are translated into Indian Rupees at the exchange rate prevailing as at the Balance Sheet date. Revenues and expenses are translated into Indian Rupee at average rate and the resulting net exchange differences are accumulated in Foreign Currency Translation Reserve, as the operations of the subsidiary are considered as Non-Integral Foreign operations.

(iii) Operating Cycle:

Company's operating cycle shall be 12 months beginning from 1st of April to 31st of March every financial year.

3. Significant Accounting Policies:

The consolidated financial statements have been prepared using the significant accounting policies and measurement basis summarized below:-

A. Current and non-current classification

Assets and liabilities are classified as current if expected to realize or settle within twelve months after the balance sheet date. Deferred tax assets and liabilities are classified as non current assets and non-current liabilities, as the case may be.

B. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs with two decimals thereof as per the requirement of Schedule III, unless otherwise stated.

C. Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and

factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/materialized. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

D. Property, plant and equipment

All other items of property, plant and equipment are stated at cost less depreciation and impairment if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

E. Depreciation methods, estimated useful life and residual value

Depreciation is provided on assets to get the initial cost down to the residual value, including on asset created on lands under lease. Land is not depreciated. Depreciation on property, plant and equipment is provided on prorata basis on straight-line method using the useful life of the assets estimated by management and in the manner prescribed in Schedule II of the Companies Act 2013. The useful life is as follows:

S.No.	Description of Assets	Useful life as per the Companies Act
1	Building	5 & 30 Years
2	Plant & Machinery	10-15 Years
3	Office Equipment	5 Years
4	Furniture	10 Years
5	Computer	3 & 6 Years
6	Software & Web sites	6 Years
7	Vehicle	8/10 Years

On the basis of technical assessment made by the management, it believes that the useful life as given above best represent the period over which the assets are expected to be used.

Leasehold land is amortized on a straight line basis over the unexpired period of their respective lease.

The assets residual values and useful life are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

F. Intangible assets

Intangible assets with finite useful life that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a Written-Down Value basis over their estimated useful life. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

G. Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and operating balances.

**H. Inventories:**

Inventories of raw materials and stores and spares are valued at weighted average cost net of duties and finished goods and Stock-in-Process are valued at lower of cost or net realizable value and Scrap is valued at net realizable value.

I. Investments and other financial assets**(I) Classification**

The Company classifies its financial assets in the following measurement categories:

- (1) Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) Those measured at amortized cost.

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are accounted in the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

J. Impairment of non-financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In determining fair value less costs of disposal, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses including impairment on inventories are recognised in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

K. Segment Reporting:

Since the Company operates in one segment only, segment reporting as required IND-AS issued by the Institute of Chartered Accountants of India is not applicable.

L. Exceptional Items:

Exceptional Items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income and expense that have to be shown separately due to their nature or incidence.

M. Contingent Liability:

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their

existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

N. Provisions:

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

O. Investment in Subsidiaries:

The Company has elected to measure investment in subsidiaries at cost. On the date of transition, the carrying amount has been considered as deemed cost.

P. Leases:

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee.

Leased assets: Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Since the monthly lease payments for such leases are not material, the management has decided to apply the recognition exemption as per Para 5(b) of IND AS 116, wherein the entity need not apply the requirements for which, the recognition and measurement of lease liability for which the underlying asset is of low value.

Q. Revenue recognition:

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Revenue is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

Sale of products:

Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

Rendering of services:

Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligation for the services rendered.

R. Employee Benefits:

(i) Current Employee Benefit:

(1) Liabilities for wages and salaries, including non monetary benefits that are expected to be settled

wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employee service upto the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(2) Contribution to defined contribution scheme such as Provident Fund, Family Pension Fund and ESI Fund are charged to the Statement of Profit & Loss.

(3) Leave encashment is charged to revenue on accrual basis.

(ii) **Other long-term employee benefit obligations**

(a) Gratuity

The Employee's Gratuity Fund Scheme, which is defined benefit plan, is managed by Trust maintained with Life Insurance Corporation of India (LIC). The difference, if any, between the actuarial valuation of the gratuity of employees at the year end, valuation done by LIC and the balance of funds with Life Insurance Corporation of India is provided for as assets/(liability) in the books.

S. Foreign Currency Transactions:

(i) The financial statements are presented in Indian rupee (INR), which is Company's functional currency.

(ii) Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

(iii) Any income or expenses on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit and Loss.

(iv) Remittances not received until the end of the year are considered at the closing exchange rate as applicable. Difference between realization against debtors in the subsequent year and outstanding debtors is recognized as exchange differences in the Statement of Profit and Loss.

T. Income tax:

a. Current Tax:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

b. Deferred Tax:

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred tax arises from the initial recognition of an asset or liability that effects neither accounting nor taxable profit or loss at the time of transition.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled

U. Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributed to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all potentially dilutive equity shares

V. Government Grants:

Capital Subsidy shown under Capital Reserves.

**W. Dividend:**

Dividend distribution to the shareholders is recognised as a liability in the Company's financial statements in the period in which the dividends are approved by the Company's shareholders except interim dividend.

Interim dividend is recognised as a liability in the Company's financial statements in the period in which the dividends are approved by the Board of Directors.

X. Related Party Disclosure:

Disclosures, regarding related parties and transactions with them, as required in terms of Indian Accounting Standard 24, has been made at the relevant places in the notes to accounts.

3A. Significant accounting judgments, estimates and assumptions:

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(a) Property Plant & Equipment

The company has estimated the useful life of Property, Plant and Equipment and Investment Property as per the useful life prescribed in Schedule II of the Companies Act, 2013.

(b) Taxes

(i) The Company's tax charge is the sum of the total current and deferred tax charges. The calculation of the Company's total tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process.

(ii) Accruals for tax contingencies require management to make judgments and estimates in relation to tax related issues and exposures.

(iii) The recognition of deferred tax assets is based upon whether it is more likely than not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. Where the temporary differences are related to losses, the availability of the losses to offset against forecast taxable profits is also considered. Recognition therefore involves judgment regarding the future financial performance of the particular legal entity or Company in which the deferred tax asset has been recognized.

(c) Defined benefit

The cost of defined benefit plans (i.e. Gratuity benefit) is determined using valuations done by LIC. An actuarial valuation involves making various assumptions which may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. In determining the appropriate discount rate, management considers the interest rates of long term government bonds with extrapolated maturity corresponding to the expected duration of the defined benefit obligation. Further details about the assumptions used, including a sensitivity analysis.
