The SEIAA norms enjoin upon the collectors to ensure that mining does not disturb the ecology of the area and that there is no adverse impact on the minor minerals as well as the river bed.

The SEIAA conditions are in keeping with the guidelines of the Union Ministry of Environment and Forests. SEIAA chairperson Waseem Akhtar says that while issuing environmental clearance, all these conditions are imposed. The document giving environmental clearance specifically states that it is the responsibility of the mining department and the local administration to ensure that the conditions are followed.

## SBM to force illegal meat, liquor shops to shut down

● FP NEWS SERVICE  
Ujjain

Workers of Swarnim Bharat Manch (SBM) and social organisations will ensure that illegal meat and liquor shops within Mahakaleshwar temple region are shut down, on Sunday from 11 am onwards. To encourage public participation in the movement, SBM has called for a bandh from 9 am to 2 pm.

Dinesh Shrivastava of SBM said, "Top officials of Ujjain Municipal Corporation as well as the collector have been issuing orders for the removal of these shops continuously for the past few years, but officials concerned are neglecting the orders forcing us to take matters in hand."

They added that, saint Kamalmuni maharaj visited Ujjain two months ago and staged a dharna at Ramghat to bring the issue to the notice of the administration. UMC commissioner Ashish Singh then assured him of action within seven days. Several months had passed since the dharna but these shops are still being operated illegally.

Members have requested traders and business owners to participate in the movement and ob-

serve the 5-hour bandh. Milk booths, public transport, pharmacy stores and vegetable shops have been exempted from the bandh.
